

Presidents Message

Dennis Lewandowski
I.C.P. President

I hope that you are enjoying the long awaited clear summer skies and warmer weather.

Thanks to everyone that attended our events this spring. We had a great time at the Rivers Casino and the Champion Lakes golf out was a great success. I saw many of you at our happy hour on the North Shore and we will be having more happy hours though out the year.

Plan to attend the August 6th Pittsburgh Pirate home game and tailgate. Our insurance club has arranged to reserve tickets for this event that includes a tailgate party and entertainment pregame and a Skyblast and concert featuring Train following the game between our Pirates and the San Diego Padres. Tickets will be in high demand for this game, why not be part of it? We also have planned our annual golf outing at Blackhawk September 16 and our fall CE class at Churchill Valley Country Club on October 10. The committees have worked hard to plan these events. Don't forget that you can always register our website www.insclubpgh.com under the "Upcoming Events" tab. I look forward to seeing you in attendance and participating.

Regards,

Dennis Lewandowski

Casino Event

On Friday, May 20th, 2011, the ICP kicked off the weekend with our annual Casino Night at the Rivers. Over forty people attended the festivities that began with a beautiful meal at the River's Grand Buffet. The buffet had many options from land and sea as well as specialized foods from around the world. After we all stuffed ourselves, it was time to try our luck with either the slots or table games. If gambling was not your thing, there were many other entertainment options. You could kick back and have a cocktail at one of the bars or catch some live entertainment in the main room. A good time was had by all and in the end we all came out winners...at least in our own minds!

Ski Outing

The Insurance Club of Pittsburgh hosted their Annual Ski Outing on Saturday, February 26th, 2011. Approximately 35 members and their families were in attendance and had a fantastic time skiing, snow tubing and socializing in the condo. The sun was shining and the weather was great. Great food, fun and festivities all day long. If you didn't get to come this year, please sign up next year. Even if you don't ski, you can bowl, swim, shop or just enjoy the wintery environment. The mountains and scenery are breathtaking. A big thanks to our *generous sponsors*:
